

PRODUCT INFORMATION

TECHNICAL DATA FORMULA TS-3

DESCRIPTION

A Non flammable, fast drying spot cleaning fluid designed to remove virtually 100% of cured plastisol screen printing ink. It will also remove most water based, catalyst, nylon and puff ink types, as well as most adhesives used on transfers and heat transfer lettering. TS-3 can be used to remove household grease and oil based stains. TS-3 is EPA compliant and exempt from SCAQMD Rule's 1171 and 1130.1
